1. The KPOa collected a total of 176,000 schillings in membership dues and construction fund contributions in May 1950. According to a statement by the Control Commission the party expenditures for the same month exceeded 400,000 schillings. The exact sum could not be determined as the reports of several provincial executive boards have not as yet been received. The Control Commission stated that the above sum comprises only expenses for propaganda purposes, principally for the peace campaign, and does not include such items as salaries and maintenance costs.
